

Wagner SB 990

Please vote NO on SB 990

I have smoked 2 packs of smokes a day untill last year. I started using E-Cigs and never went back.

If I have too use my e-cig along side smokers I will have to breath in there smoke! Please vote NO on SB 990 Too many people will die if E-Cig usage is banned. I feel great and My doctor wants me to keep using my E-cig. I try ever thing else and E-Cigs work, and do not effect anyone else.NO SMOKE just water vapor like a steam kettle. Are you gonna ban them next!

Thank you
